Nov 23 - Dec 9

2019 DATES

Jan 11 - 20

Feb 8 - 17

Mar 22 - 31

Over the last 50 years, Sloat Garden Center has supported our local communities by donating thousands of dollars to schools and civic groups throughout the Bay Area. We are continuing this support in 2011 by expanding our **Growing up Green** program.

Here's how it works:

Your school signs up for **Growing up Green** and then members of your school community can mention your school to the cashier when they shop during the event dates. Sloat Garden Center will then *donate 10% of all pre-tax sales* generated by your school back to your school in the form of a gift card to be used for school gardening, gifts, raffles, auctions or other fundraising efforts throughout the year. The school with the highest total sales amount will receive double the donation (20%). The success of the program depends on how well and frequently you get the word out. Encourage family, friends, neighbors and school community members to pass around or forward your flyer in emails. Also, consider inserting the flyer into school newsletters, sending it home with students or announcing it on your school's website.

How to begin:

1. Choose as many weeks to participate as you like.
2. Submit an application form at least 2 weeks before the first day of the week you've chosen. (Email us for application form or with any questions: growingupgreen@sloatgardens.com)
3. Once you are registered we will email you a copy of the flyer to print out or distribute via email.
4. Hand out flyers throughout your school community before your chosen Growing up Green week and let the community know about the fundraiser.
5. Shop in one of our stores, mention your school to our cashier --- your school will then receive a percentage back from each sale in the form of a gift card, 2-3 weeks after the event. *Please note: Purchase of gift cards do not apply.*

Tips:

- Apply well in advance
- Let people know about the fundraiser: Insert flyers into newsletters, send home with students, announce on the school website and forward the flyer in emails to parents.
- The more you're involved, the more successful the fundraiser.
- Please note: Each school must have a minimum of \$100 in purchases in order to be eligible to receive 10% back.
- Contact us with any questions -- growingupgreen@sloatgardens.com
